The Graford FFA Floriculture class is in its first year of providing students additional design experience while providing community members a good product at a great price. This program is known as the “**Floral Arrangement of the Month Club**.” Each month an appropriately themed arrangement will be designed and arranged by members of the Graford High School Floriculture class. This program is designed to give students extra experience beyond the financial limits of the class. The arrangements will be made and sold at approximate cost to you as the consumer. This will allow you to purchase a \$25-\$40 retail arrangement for a \$15.00 wholesale cost. It should be clarified that this is not a fundraiser, but rather a career related student experience with materials being provided by an outside source.

Arrangements will be delivered within the Graford City Limits. There will be a \$2.00 monthly charge for this service. This can include residential or places of employment. You may also choose to pick up at the GHS Floral Classroom (Portable E) the day the arrangement is completed. Arrangements will be delivered to GISD campuses free of charge.

To participate in the “**Floral Arrangement of the Month Club**” or to order any of our other special products please fill out and return the attached ordering sheet to Mrs. Amber Jennings at GHS. Orders will not be processed until payment is made. Orders may be limited to a first come first serve basis.

We also invite you to participate in our vase/container recycling program that allows us to reuse vases and containers for future arrangements, enabling us to spend more money on the arrangement itself rather than the container. If you have containers of any sort that you would like to donate, please contact Mrs. Jennings by email or phone to arrange pick up.

We appreciate your support of Graford High School Floriculture class. We look forward to a great year ahead. I invite you to contact me with any questions you may have by emailing ajennings@grafordisd.net and future designs will be posted via GrafordFFA.weebly.com, Graford FFA Facebook, and Graford ISD Webpage.

Thank you and sincerely,

Amber Jennings
